PRODUCT INFO

PF-T350

Features

- MP3 compatible digital picture frame with FM radio and alarm clock function
- Compact design ideal for the night stand or office desk
- Crystal clear photo playback on the digital 3.5 inch TFT LCD screen
- Playback of JPEG images in single picture or slide show mode
- News and entertainment provided by built-in FM radio
- Playback of MP3 audio files
- ⇒ Alarm clock with snooze function wake up by beep or MP3 music
- Display of time and date (perpetual calendar up to year 2100)
- Easy control by function keys
- Direct playback from SD/MMC memory cards and USB thumb drives
